Toronto, ON, M5G 2K1

Dear Minister:

Subject: Land Use Development – The Ontario Municipal Board (OMB) and
Citizen Involvement

Congratulations on your appointment as Attorney General.

Last September we wrote to Minister Bryant on this subject but, probably due to the busy time, did not receive a response from him.

In case that correspondence has not reached you, we are sending you copies of it.

We hope that you will find our recommendations of value.

Yours truly,

Edward L. Mercer
